

Some of the Previous Summer/Winter Program

Science Exploration	Nature Series	Science in Bubbles
		Science of Colours
		Traveling with Water
		STEM in Fairy Tales
		Marine Biology
		Bionics
		Geology Lab
	Frontier Series	Genetics
		Neurobiology
		Climate Change
		Human Universe
	Minecraft Series	Space Station
		We are the Ranger
World of Wildlife		
Wonders of the World Architecture		
3D Thinking		
The Science of Food Series		
Science in Harry Potter Series		
Forensic Series		
Technology & Engineering	NASA	James Webb Telescope
		Space Station
		Moving on Mars
		Landing on the Moon
	EIE	Maglev Systems
		Saving the Homeland
		Geological Exploration
		Bridge Design
	Engineering & Design	3D Printing and Spatial Design
		Mechanical Engineering
		MIT Dynamic Sculpture
		CTY Engineering Inventions
Math & Computer	Cryptography	
	Game Design	
	App Inventor
